Floor Plan

These beautifully appointed beach houses were established in 2008. The balcony is a great place to sit and watch the sun set over the Indian Ocean and is an ideal platform to keep a close eye on the kids playing on the beach. Fishing off the rock wall out front of the Beach Houses will ensure you have a feed of whiting, tailor, herring or mulloway for dinner or lunch. One of the west coast's best kept secrets is now becoming common knowledge so get in early to ensure your Dongara Denison holiday will be a memorable one. Bookings are essential.

 One of our beach houses is mobility impaired friendly with a ramp and full disabled WC & shower area.
