Floor Plan

These beautifully appointed beachfront chalets are only five years old and have been meticulously maintained. A popular form of accommodation especially during peak holiday periods. Advance bookings are a must. The balcony is a great place to sit and watch the sun set over the Indian Ocean and is an ideal platform to keep a close eye on the kids playing on the beach. Fishing out the front of the Chalets will ensure you have a feed of whiting, tailor, herring or mullet for dinner or lunch. One of the west coast's best kept secrets is now becoming common knowledge so get in early to ensure your Dongara Denison holiday will be a memorable one.
