Floor Plan

These neat and tidy cabins are only five years old and have been meticulously maintained. A popular form of budget accommodation especially during peak holiday periods. Advance bookings are a must. The balcony is a great place to sit and relax. You will need your own linen and the bunks are ideal for children (can be a bit small for larger adults). The cabins do not have a shower or hot water but there is a jug to boil water for dishes etc. One of the west coast's best kept secrets is now becoming common knowledge so get in early to ensure your Dongara Denison holiday will be a memorable one.
