### Site Plan

These neat and tidy ensuites are only five years old and have been meticulously maintained. A popular form of luxury camping accommodation especially during peak holiday periods. Advance bookings are a must. The extra storage room gives you the opportunity to lock up your fishing rods or valuables with peace of mind. Ideal for longer staying guests. The waterfront ensuites do not have a separate storage room, however, there is ample room inside the ensuite to store your valuables. These are larger than the standard ensuites. One of the west coast's best kept secrets is now becoming common knowledge so get in early to ensure your Dongara Denison holiday will be a memorable one.
